By making your dues payment, you acknowledge the REALTOR® membership duties to which you agreed when you accepted membership, including your duty to arbitrate disputes as provided in the Code of Ethics of the National Association of REALTORS® and in the governing documents of the NYS Commercial Association of REALTORS.

Under the 1993 Federal Tax Reform Act, individuals who belong to a not-for-profit Association may not deduct for income tax purposes the portion of their membership dues that is spent on federal or state lobbying activities. Further, membership dues are not deductible as charitable contributions, but may be deductible as an ordinary and necessary business expense subject to restrictions imposed as a result of association lobbying activities.

For 2010 dues of \$80 per member, NAR computes 33 percent or \$26 to be nondeductible for the member's income tax due to NAR lobbying efforts. Note that the entire \$35 portion of dues related to public awareness qualifies as deductible dues.

For 2010 dues and assessment of \$70 per member, NYSAR computes \$10.00 to be non-deductible for income tax purposes due to NYSAR's lobbying efforts. This \$70 figure includes NYSAR's \$8 special assessment dedicated to the Legal Action Fund and the Issues Mobilization fund.

*Primary members: Your 2010 primary dues bill include a \$35.00 mandatory assessment by the National Association of REALTORS® (NAR) of all REALTOR® and REALTOR-Associate® members to fund a nationwide public awareness campaign that includes TV network and cable ads highlighting the value a REALTOR® brings to a transaction and stressing the importance of using a REALTOR®.

"Contributions are not deductible for income tax purposes. Contributions to RPAC are voluntary and are used for political purposes. You may contribute more or less than the suggested amount. You may refuse to contribute without reprisal and the National Association of REALTORS® or any of its state associations or local boards will not favor or disfavor any member because of the amount contributed. 70% of each contribution is used by your state PAC to support state and local political candidates. Until your state PAC reaches its RPAC goal 30% is sent to National RPAC to support federal candidates and is charged against your limits under 2 U.S.C. 441a; after the state PAC reaches its RPAC goal it may elect to retain your entire contribution for use in supporting state and local candidates."
